EXECUTIVE SUMMARY

Deliverable 3.3 is produced in the context of work package 3 – communication and public awareness. One of the objectives of this work package is to create a set of dissemination tools so that the project results and outcomes can be delivered. The second dissemination tool implemented is the project website, as presented here. Links for PT, ES and EN version and pictures of the website are included in this document.

DELIVERABLE 3.3

PROJECT WEBSITE |

Introduction

The website is available in Portuguese, Spanish and English.

The website includes information about project, *consortium* and outcomes. Additional to that the website will deliver information about the project's activities and will be maintained up to date in terms of news and dissemination activities. The website also contains links to:

Facebook - <https://www.facebook.com/learn4lifeproject/>

LinkedIn - <https://www.linkedin.com/company/101379670>

The contents of the training programmes along with other documentation, namely deliverables, will be also at the website.

Finally, the website has a contact form available.
